P.C.

. Both the reports of the Receiver dated 31.1.2005 and 24.3.2005 adjourned for a period of two weeks. It is directed that the occupiers who are in the arrears of payment of rent to the Receiver to pay the same within a period of two weeks. The Receiver is directed to accept the rent

from those occupiers who are found in possession as on the date when the Receiver took possession of the premises without prejudice to his rights and contentions as to the claim of anybody's tenancy in respect of their respective premises. It is made clear that the payment of the amount of rent pursuant to this order would not confer any right of tenancy if otherwise not available under law. It is further made clear that if payment of arrears is made within a period of two weeks as directed hereinabove, necessary action will be initiated against such persons. The Receiver is further directed to give details of the arrears of each of the occupier as and when such occupiers approach the Receiver for the purpose of ascertainment of the amount payable by them to the Receiver. The Receiver is further directed to file supplementary report in respect of the person who has taken possession subsequent to his appointment without permission of the Court and/or permission of the Court Receiver for necessary directions in that behalf.
